Thanks, Jess.

As a side note, the discussion on the City's CSO program has been postponed until September, since we will be down a Councilmember at the meeting. Additionally, there will be a discussion item at this upcoming meeting about City signage – one of which includes ALPR signage in anticipation of the ALPRs on Mt. Olive Drive. Attached is the conversation between me and Sgt. Gaw. Wanted you to be aware in case a Council member decides to look at you for any LASD advice.

Hi Jess,

Would you be able to reach out to the deputy that responded to the 415E at 706 Winston Ave on 8/3/18 to see if there was loud music occurring when he chatted with the resident? There have been multiple calls at the property regarding loud music/party over the past 6 months, but this is one of the first that the deputy has chatted with the resident when responding.

I'm curious if he heard the music when he responded. If so, the City can issue an administrative citation since there has been a past warning.

Thanks,

Kevin
